

LET'S WORK TOGETHER TO BUILD A STRONGER COMMUNITY!

Katherine Low Settlement is a busy, community-based charity that has been serving Battersea and the wider Wandsworth community since 1924. We are dedicated to building stronger communities and enable people to challenge and find ways out of poverty and isolation. We run a range of our own community projects to support thousands of children, young people and their families, women, older people and refugee communities. Our **LOVE TO LEARN** Programme supports young people from refugee backgrounds through Homework Clubs, GCSE Study Groups, mentoring and a casework team.

SCHOOL PARTNERSHIPS

We believe that by working with local schools we can, together, help even more young people to reach their goals and fulfill their potential. Come and meet the KLS Team, learn about our projects, discuss your ideas and priorities and how we can work together.

WAYS TO WORK TOGETHER

Every partnership is different and we would like to get to know your school and its aims and objectives for community outreach. Here are a few ideas:

Share training, knowledge and advice with our staff and volunteers. Attend one of our training sessions, swap ideas, run workshops. Together we can strengthen the local community.

Signposting - introduce vulnerable young people and families to our services. Find out more about our **LOVE TO LEARN** programme and how it could help your pupils. We can run drop in sessions at your school, offer training to your staff and help your pupils.

Swap and trade resources for example books, learning materials and technology.

Volunteering - pupils, staff and parents may like to volunteer with us. It's a great way to get involved locally and very rewarding. We can also offer opportunities to young people working towards their Duke of Edinburgh Awards.

Fundraising - join one of our events or have one of your own, do a fun run, quiz or bake sales choose us as your charity of the year - the possibilities are endless.

Perform for us -bring your schools play or concert to our members either at our Community Centre on Battersea High Street or virtually via Zoom!
